Ibrahim Jamiu

Software Engineer

✉ ibrahimjamiu026@gmail.com 📞 08145197342

📍 Lagos, Nigeria in jamiu-ibrahim ○ jamiu10012

Profile

Innovative and results-oriented Software Engineer with 4+ years of experience in designing and developing scalable web applications using JavaScript, TypeScript, React, Angular, and Node.js. Skilled in frontend and backend development, API integration, and modern UI/UX principles. Passionate about writing clean, maintainable code and optimizing performance. Experienced in Agile environments, collaborating with cross-functional teams to build user-centric solutions. Proficient in state management (Redux, NgRx), databases (MongoDB, PostgreSQL), cloud technologies, and DevOps workflows. Committed to continuous learning and innovation.

Skills

Frontend Development — Expert
HTML, CSS (SASS, Bootstrap, Tailwind CSS), JavaScript, React, Angular, Next.js

Backend & Databases — Proficient
Node.js (Express.js), MongoDB, MySQL, PostgreSQL

Version Control — Expert
Git & GitHub, Azure DevOps

UI/UX Design — Proficient
Figma, Sketch, Adobe XD

Styling — Expert
Tailwind CSS, SCSS, Material UI, Bootstrap

State Management — Expert
NgRx, Redux, React Query

Performance Optimization — Expert
Lazy Loading, Code Splitting, API Caching, Webpack

Testing
Jest, Cypress, Jasmine/Karma

Machine Learning and Deep Learning
Model training, Data preprocessing, Neural networks, Computer Vision, NLP

Education

Computer Science
First Technical University
2019/12 – 2023/08 | Ibadan, Nigeria

Software Engineering
ALX Africa ⌗
2023/06 – 2025/02 | Ikeja, Nigeria

Certificates

- ALX Software Engineering ⌗
- Complete Bootstrap & React Bootcamp with Hands-On Projects, Udemy ⌗
- Backend Development - UK-Nigeria TechHub ⌗
- Google Developer Student Club Core Team Lead ⌗

Work Experience

Software Engineer
Bluescript IT institute
2022/05 – 2022/11 | Ibadan, Nigeria
- Developed and maintained scalable web applications using React, Angular, and Node.js, ensuring high performance and responsiveness.
- Led code reviews and enforced best practices, improving overall code maintainability and quality.

Google developer student clubs lead | UI/UX lead
Google
2022/08 – 2023/12 | Ibadan, Nigeria
- Collaborated with cross-functional teams including product managers, developers, and stakeholders to ensure alignment on project goals and timelines
- Designed and produced wireframes, prototypes, and high-fidelity mockups using tools such as Sketch, Figma, or Adobe XD
- Mentored and trained junior designers, providing guidance on best practices and design principles

Frontend Developer
2geda Limited ⌗
2023/09 – 2023/12 | Osun, Ife, Nigeria
- Enhanced website load times and performance using optimization techniques like lazy loading, code splitting, and minimizing HTTP requests.
- Translated design mockups and wireframes into functional web pages while maintaining design accuracy and responsiveness.

Senior Frontend Engineer
Khefue
2024/06 – 2024/11 | Contract
- Developed and integrated state management solutions (Redux, React Query) to enhance data handling efficiency.
- Developing and maintaining scalable, responsive web applications using React, TypeScript, and Tailwind CSS.

Software Engineer
REDX DEV
2023/06 – 2025/01 | Remote
- Participated in Agile development, contributing to sprint planning, stand-ups, and retrospectives to ensure timely feature delivery.
- Developed automated tests using Jest and Cypress, increasing test coverage and reducing production bugs.

Senior Frontend Developer
Herrands Limited
2023/09 – 2025/02 | Lagos, Nigeria
- Developed responsive web designs, ensuring seamless adaptation across devices and improving user engagement.
- Actively participated in agile methodologies, including sprint planning and daily stand-ups, to meet project goals.

Frontend Developer
Innovastra Limited
2024/03 | Lagos, Nigeria
- Integrating RESTful and GraphQL APIs, ensuring secure and efficient data communication between frontend and backend services.
- Actively participating in Agile development workflows, including daily stand-ups, sprint planning, and retrospectives.
